CHRISTMAS—TO REMAKE THE WORLD

LIKE A MADONNA AND CHILD Mrs. Brown sat in a sunny window feeding two-months old Susanna looking at the baby she thought of as world it would live in. She said, "John and I want to do all we can to remake the world for Susanna's sake."

CHRISTMAS IS THE WAY TO REMAKE THE WORLD. Even though there will be vacant chairs in family gatherings this year, and sad hearts where last year were merry ones, it is to give the world the spirit of Christmas that we are giving this world war.

The first Christmas determined the course of history. In an occupied country, under a dictator's rule, a Superforce was born which cut the dictator and brought resistance out of those blacked-out ages. It was the Superforce which set men and nations free from their fear, greed and hate, giving a pattern for the ordinary man to live by.

Mrs. Brown said, "The same spirit that we feel at Christmas time needs to remake John and me every day. Here and at John's work and in our neighborhood we begin to remake the world." A Christmas message by Frank Brown's and for every American home.

"MAY THE CHRIST CHILD BRING US THE BIRTH OF A NEW THINKING at this Christmas tide, and usher in the new world that the statesman and every man wants. We need a fourth dimensional thinking—a gift from God—that will lighten our darkness and bring a speedy answer. Wise men came from afar, guided by a Star, at that first Christmas. May each one of us, illumined from afar, bring a gift to all mankind that will be more acceptable than any earthly reward."

Four questions every American should ask himself

1. HOW CAN I HELP WIN THE WAR?
2. HOW CAN I KEEP THE COST OF LIVING DOWN?
3. HOW CAN I BE SURE TO HAVE SOME MONEY TO TIDE ME OVER THE PERIOD OF RE-ADJUSTMENT WHEN THE WAR IS WON?
4. HOW CAN I GET \$4 FOR \$3?

• An answer to all four questions is: BUY WAR BONDS through the Payroll Savings Plan.

The more bonds you buy, the more quickly we can win the war.

The more bonds you buy, the more you reduce the possibility of a rising cost of living.

The more bonds you buy now, the more money you will have when the war is won.

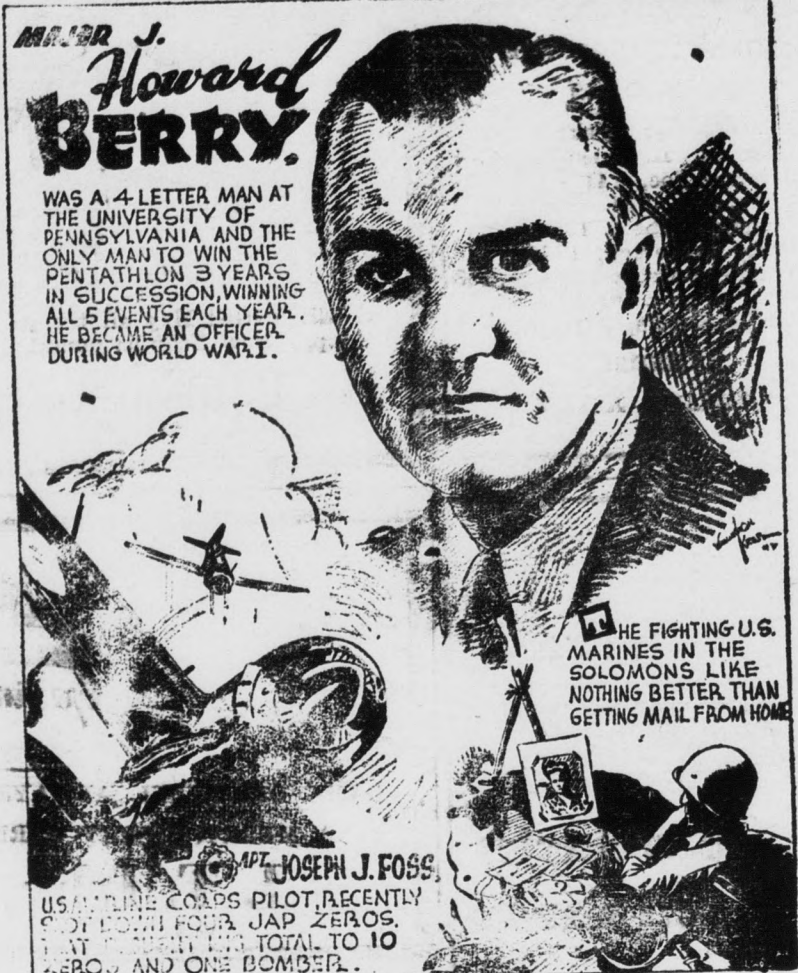

The more bonds you buy, the more four dollars you'll get for three!

Put at least 10%—not 6%, or 7%, or even 9%, but 10%—of your earnings into War Bonds. Do it through your company. Twenty-one million Americans are doing it now. Let's make it at least 10% for every American!

"TOP THAT 10% BY NEW YEAR'S!"
